## Testimonial

Anglo-Chinese School (Barker Road)

Ministry of Education  
Republic of Singapore

Leong Yu Zhi Andy was a student of Bukit View Secondary School in 2018 and Anglo-Chinese School (Barker Road) from 2019 to 2021.

Andy is a highly motivated and conscientious student who puts in much time and effort into his academic work as he strives for excellence. Despite his reserved nature, he is able to adapt to new environments quickly and get along well with his peers and teachers. He has proven to be a positive influence and a role model to many of his peers. As a result, he achieved the 'Adaptability' Level Award for Secondary Two at the school's Honours Day. Andy can always be relied on to carry out any task responsibly and reliably. Courteous and respectful to his teachers and peers, Andy is sensitive to the moods and needs of others - a trait which has served him well in his appointments as Class Monitor. He displays initiative and does not hesitate to help his friends and classmates when they are in need.

Andy was a committed member of the Table Tennis team. During his time in school, he was appointed the role of Vice-Captain in 2019 and 2020 and was further promoted to the role of Captain in 2021. This is an indication of regard and trust which he engendered from his teachers-in-charge. Andy also represented the school in the National Schools Games Table Tennis (Team) Championships 'C' Division Boys (South Zone), where the team was awarded a Bronze medal. He also received the Full Colours Award in 2019 and 2020 for his contribution to the sport.

Andy has always shown a strong interest in computers and coding. He is a proactive and independent learner who grasps computing concepts quickly who constantly looks to extend his learning beyond the prescribed content. This trait is evident through his participation in a myriad of Information Technology-related competitions and workshops, such as 2020 Youth Cyber Exploration Programme, BuildingBloCS 2020 and 2021, Shopee Code League 2021. He was also amongst one of the student leaders who initiated a project to build a Minecraft replica of the school's iconic clock tower facade. Andy collaborates well with his peers; he worked with a few students to compile solutions to coding assignments to share with his classmates. He is always keen to try out new things, and facilitated a virtual Cyber Wellness presentation to the student body in 2020.

Andy has contributed actively to the school's various Values-In-Action programmes. For instance, he participated in writing cards of encouragement for the frontline and migrant workers, pack snacks and create videos for the migrant workers during the COVID-19 period, uplifting their spirits.
